

THE THIRD ESTATE

The Third Estate

THE THIRD ESTATE is a five piece alternative rock group hailing from Albury NSW.

They have played many tour supports for bands such as Mammal, Faker, Kisschasy, Trial Kennedy, Horsell Common, Grinspoon and many more.

They have also played many high profile festivals such as "Groovin the Moo", "The Boomtown Showdown", "The Push-Over Festival", "The Planet X Winter Games" & "Peaches N Cream". More recently the guys have topped the Triple J Unearthed Overall Charts with their first single "far from the valiant tourist" which remained at number 1 overall for 4 weeks. This resulted in the production of the bands 1st music video, and the "far from the valiant tourist" clip can be seen on myspace & youtube.

According to Guitarist Josh Liston "Far From the Valiant Tourist" can be described as "an intensely catchy alt rock song, with some cool progressive arrangements, strong melodies and a unique composition; and it is indicative of our new musical direction"...

Josh, Dan, Rudy, Michael and Luke want to create music that is energising and constantly pushing the boundaries of their talents.

With Josh on lead guitar and vocals, Dan on bass, Rudy on Guitar, Michael on Drums and Luke on keys, they combine their musical backgrounds, talents and influences.

The result is the creation of music that is dynamic, heavy, intense and energetic. The vocals blend violent screams with croons and melodies, while the lyrics have a purpose to enlighten, evoke and affect.

The band are strong, aggressive and intense in their live shows and each time prove the passion that they have for music. They set the stage on fire!

This year THE THIRD ESTATE are working tirelessly toward releasing their new four part concept album titled "The Chronicles of the Four Horsemen".

The release consists of four chapters Conquest, War, Pestilence & Famine, and Death. Each disc will consist of four songs and a music video and will be distributed to stores throughout Australia, USA and the UK.

"We're all very excited to be able to finally unveil our new brand of rock music to the world, we feel we have evolved greatly over the last 12 months and we hope our fans and the greater public find the same power in our new music that we do" says vocalist/guitarist Rudy Gerard.

The band will be touring nationally throughout 09 to promote all four releases, so be sure to keep a lookout at a venue near you for tour dates...
